ABOUT US

Kargosurge is a leading exporter of premium agricultural products, specializing in turmeric and a variety of high-quality agro commodities. Headquartered in Ahmedabad, Gujarat, we focus on quality, sustainability, and seamless global trade solutions. Our primary product, turmeric, is sourced from trusted Indian farmers and processed with strict quality control measures to ensure its natural purity, rich color, and high curcumin content. We are committed to delivering only the best agricultural products, meeting the highest international standards. We cater to bulk buyers, offering minimum order quantities of 50 metric tons, with no upper limit on supply. Whether you are a food manufacturer, wholesaler, or distributor, we ensure that our products are fresh, well-packaged, and delivered on time.
